Cineplex.com: The First Stop For Moviegoers

Often the first step in our guests' movie-going experiences, Cineplex.com can also be the first opportunity for you to interact with them.

Cineplex.com has up-to-date times and dates for screenings across the country, movie trailers, custom content and, more often than not, a great contest or two! Given the movie industry's weekly rotation, our guests come back time and time again to research a big night out. Why don't you join them?

We offer page dominations, skins, pre- and post-roll and targeting capabilities that allow you to reach exactly who you want.
