IMPORTANT:

- Make sure files are labeled as follows: **spotname_scope** or **flat_eng** or **fre_0001.tiff**
- Assure all text is confined to Title Action Safe Area (consult users manual to pull up safe grids in your preferred editing software)
- Double-check all text, supers, legals, logos, and urls (spelling, content & placement) before delivering material to Deluxe, to reduce the possibility of revisions, which will incur additional charges, and may affect deadlines
- The English and French material **MUST** be delivered to Deluxe Toronto on the same day, to ensure there is no increase to the cost quoted for the transfer. Later delivery of either one of the versions will incur additional transfer fees. If picture or audio revisions are required after Deluxe has begun working on the transfer, additional charges will incur.
